Welcome

A VERY WARM WELCOME TO OUR CHRISTMAS 2025 CATALOGUE.

Let us bring Christmas magic to your retail offering, with our thoughtfully curated collections.

We are proud to present our largest festive collection to date, offering an array of designs from our best selling collaborations combining stunning creations and sustainability. We are delighted to introduce Emily Hauck to the Glick stable - we are in love with her unique design style and her Christmas designs are a must see!

Almost all products in the collection are recyclable, allowing you and your customers to celebrate in style, responsibly. The collection reflects our commitment to quality, style and the environment.

Our friendly team in the office and out in the field are on hand to help you with your design selections, and our webshop is there 24 hours per day for you to peruse the full collection.

The order deadline, to guarantee your chosen designs, is 26th March.

We hope Christmas 2025 is truly unforgettable and we hope you love the Collection as much as we have loved designing it for you.

ROLL WRAP TAGS

All of our roll wraps, gift tags and packaging are printed using eco-friendly water based inks to FSC papers.

You'll find our roll wraps packaged in 100% recycled plastic shrink wrap.

Our multipack tags come in packs of 6 tags with cotton twine, packaged in 100% recycled plastic polybags with FSC backing board.

All of our 4m roll wraps have a reverse side grid made up of the words **RECYCLE ME** for precise cutting and recycling instructions for the gift recipient.

Our brown kraft roll wrap does not have a cutting guide on the reverse, so that you can wrap using either side of the paper or a mix of both if you want to be creative!
