BADGES

Small but mighty! Our daft, fun badges are perfect upsell items, they go great with a card of gift. Downright silly and a little rude, we have even produced some Scottish themed designs (now that we are locals!) There's something for everyone. Almost! Ordering

Orders can be made by email to info@golala.co.uk or by using our trade website. You can register or login by visiting <https://golala.co.uk/trade>

We also sell on Faire, Ankorstore and Create - if you would like a direct link to our marketplace (which may mean you can get reduced prices or a credit), please let us know.

We also have lovely sales agents so please contact us to find out if we have someone in your area who can make an appointment to visit.

Our minimum order value is £125 + VAT. All orders are placed as a 'firm sale'.

Returns

If any items received are incorrect, damaged or something is missing, please contact us within 7 days of receipt so that we can refund, replace or issue the items in question.

We are unable to accept returns for items ordered in error or because you have changed your mind, but we will try to work with you to find a solution wherever possible.

Payment

First orders must be paid by proforma invoice prior to dispatch. Orders thereafter are placed on a 30 day account.

We expect prompt payment of all invoices. If you are struggling to pay, please talk to us so we can work towards a solution.

We do ask that outstanding invoices are settled before reordering (it is not unusual to have shops needing to order more than once within 30 days due to demand!).

You will be provided with a hard copy invoice with your order as well as an electronic copy sent by email with links for payment.

We do not offer exclusivity in a region on our products as this means we would have to request high value orders and frequency to make it viable for us to refuse other accounts. We do however understand that competing businesses situated in close proximity to each other can cause conflict and if this is an issue, please talk to us.

Delivery

We provide free shipping on all orders with the exception of those to the Channel Islands, Highlands & Islands and Northern Ireland.

We aim to dispatch within 2 - 3 working days, sometimes this is sooner and during busy periods such as Christmas, it may be a little longer. Please check with us before ordering if you need items urgently.
