## A message from Hannah...

A new year, a new catalogue, and lots of fabulous new product! We are adding newness to popular lines including the kitchen textiles and gardening collection as well as some brand new additions. I personally can't wait for you to see the gorgeous plush keyrings- we've worked hard to bring the same quality and attention to detail, just in a smaller package and I hope that you and your customers love them too!

Happy browsing....

Wrendale team

When I'm feeling weary, or just a little low,  
and things have got too much for me,  
I know just where to go.  
Right out beyond the woodland, across a  
gorge brook,  
beside an open meadow is a wild and  
untamed nook.  
I nestle in the grasses as the  
sunlight strokes my face  
and I'm wrapped up in the perfume of  
the heather's warm embrace.  
The air is thick and heavy, a  
coughing of sweet  
Of hickory and vibrating wings,  
pulsating all around  
In the hazy distance, a bounding  
hare pelted chase.

His tail a flash of floating white, he  
hovers in grace  
A snuffling of whiskers, a twitching  
of a nose,  
a little mouse is foraging beneath a  
willow.  
High up in a treetop, a tall acrobat  
zooms through the branches of her  
leafy habitat.  
And there amongst the wildness, where  
nature has her way  
I feel restored and have new strength to  
go on with my day.
